ABOUT FOXFIRE'S SUMMER OFFERINGS

These are our leagues and weekly events for the Summer of 2025. Come in this Summer, beat the heat, and join the fun.

For those of you that have never bowled in a league before let me start off by letting you know that you are not alone.

Millions of people join leagues every year, and over seven hundred of them at Foxfire. Many choose to start with a summer league because the season is shorter; most around fourteen weeks, compared to the thirty two week average of the fall season.

Many people think leagues are for the good bowlers; Although some leagues are geared toward the better bowlers, most leagues are considered social or recreational leagues. Most people join leagues because they enjoy the competition and friendships that develop amongst team and league-mates. We have leagues for all ages, and skill levels. Ask us and we'll be glad to help you find the one for you.

You should also be aware that Foxfire's League Bowlers receive discounts on open bowling, shoe rental, many proshop purchases, as well as other benefits like the Surprise Prize Wheel, and the Whammy. Our youth league bowlers receive free shoe rental any time!

THE BOWL BETTER CLUB! (Non-League weekly event) Wednesdays 6:00pm

(FREE TO MEMBERS OF ANY FOXFIRE SUMMER LEAGUE, \$15 FOR ALL OTHERS)

Not a league, but our commitment to help bowlers reach their potential. 6pm each week a brief Bowl Better Seminar is held, followed by practice until 7pm with coaches assisting one on one at the lanes. We work with you on your issues, and help you improve your game.

At 7pm two games will be scored, and recorded for you. Competition is against one's self, as scores are not paired against anyone, but are tracked over the course of the summer. There is no "season commitment" to the club, but many benefits to participation. Open to non-league members; (pay \$15) and gain a week's league bowler benefits after each week bowled, including free shoe rental for youth bowlers.

A custom fitted ball raffled at the end of the club, based on a drawing. Drawing chances each: 1 per seminar attended, 1 per game bowled between 7 and close, and 1 per pin of average improvement. Progress can be tracked online. Club open to youth (age5+) and adults.

MIXED 100's Thursdays 6:30pm

This league is 100% handicap. A yearly favorite among nubies and avid bowlers alike. This social league is truly one for everyone, 18 to 80+ Any gender mix or match. Bring three of your most fun friends, or make new friends here. It's hard to go wrong.

SUPER POT 2.0 (Non-League weekly event) Friday's 6:30pm **Note: Team average may not exceed 430**

Once one of our most popular Fun Tournaments, Mix or Match Doubles, bowled on our regular house conditions, now with Baker system.

Each game is paid as a side pot: Regular, Bakers, No-Tap, Scotch Dbls & Low Ball, and Series. Entry Just \$90 per team.

For series award the first four games are added together, and Low Ball is subtracted for the total.

FYI: In Bakers the two bowlers take turns bowling frames of one game score. Scotch Doubles teammates shoot each others spares.

For No-Tap 9 or 10 both count as a strike, and in low ball the lowest score wins, but keep in mind, a miss counts as a strike or spare.

Optional High/Low Singles pots available for Highest No-Tap, and Lowest Low Ball, just \$5 gets you in both!

The FOX & HOUND League Sundays 6:00pm

Four person teams. A common format, but with a chance to throw down the house team. The competition is 3 games, 90% of 240 handicap.

2 points awarded per game, 2 for series. The difference: The Fox. Foxfire will field a team, captained by Frankie Dunn. Each team will have a week scheduled against the Fox for an added incentive. Catch (beat) the Fox; your team wins the night's dues back. Other teams are still chasing every night because at the end of the season any team that catches the Fox (higher total pins with handicap than the Fox) gets an additional week's dues back. These prizes are paid by Foxfire, and not charged against the regular prize fund. So can you Catch the Fox?
